Dear Sirs

**CERTIFICATE OF APPRECIATION FROM GEC ON THE OCCASION OF 2022  
MERDEKA AWARD (ENVIRONMENT CATEGORY)**

*Greetings from the Global Environment Centre!*

As you may know, the Global Environment Centre (GEC) has been recently named the 2022 Merdeka Award Recipient (Environment Category) by the Merdeka Award Trust in recognition of our pioneering work to conserve and rehabilitate Malaysia's mangrove and peat swamp forest as well as for its work in solving environmental issues of global importance for almost two and half decades.

Thank you for your support towards GEC over recent years which contributed to our successful programmes and to our selection for the 2022 Merdeka Award. We are dedicating this award to our numerous partners from the government, private sector, civil society organization and communities.

As a simple gesture of thanks, kindly accept this Certificate of Appreciation from GEC to Prosper Capital Holdings Sdn Bhd in recognition of your contribution towards GEC's conservation and rehabilitation activities over the years. Our success is yours too!

We look forward to continuous cooperation with your organisation.

Thank you once again for your support!

*Yours Sincerely,*

**FAIZAL PARISH**
